RESPONSE TO OFFICE ACTION

Sir:

This paper is herewith filed in response to the Examiner's Office Action mailed on 03/10/2005 for the above-captioned U.S. Patent Application. This paper is deemed to be filed within the shortened statutory period and no petition or fee for an extension of time is required. However, should the undersigned attorney be mistaken, please consider this a petition for any extension of time that may be required to maintain the pendency of this Patent Application, and charge deposit account no.: 50-1924 for any required fee deficiency.

The Examiner noted on the returned PTO-1449 that the two cited U.S. Patent Publications were for some reason not available for review. Appended hereto are copies of both of these publications, and another PTO-1449 listing same. The Examiner is requested to please consider these two publications and to make them of record in the file of this patent application.

Please amend the application as shown below.
